THE MILWAUKEE RADIO AMATEURS' CLUB, Inc.

Minutes of the Regular Meeting held January 3rd, 1935.

- - -

The meeting was called to order at 8:37 P. M. by Vice-President Sennef in the absence of President Felber.

The Secretary called the roll and read the minutes of the previous. There being no additions or corrections, the minutes were approved as read.

The Chairman read a communication received from ARRL, offering an opportunity for a competent radio operator to accompany Captain R. S. Murray's ethnological expedition to British Guiana.

The Chairman called on Mr. Guthrie, W9IH, to discuss any new developments in the ultra high frequency experiments in which he is engaged. Mr. Gurhtie obliged, and this was followed by a general discussion of the use of various low power tubes for ultra high frequency work; the practicability of the new system of 100% modulation at any audio level; the effectiveness of end-loaded antennas, etc.

The meeting adjourned at 9:35 P. M.

The meeting was called to order at 8:30 P. M. by President Felber.

The Secretary called the roll and read the minutes of the previous meeting. Approved as read.

The Chairman read a communications from ARRL regarding conditions on the ten meter band the latter part of December, mentioning, with other DX worked, that W9NY worked W9DII; a communication regarding the change in Cuban prefixes, providing that effective January 1st, 1935, Cuban amateur phone stations will use the prefix CO, while Cuban CW stations will continue to use the prefix CM; a communication calling attention to the expiration dates of licenses covered by the two year blanket extension, and the necessity of filing renewal applications with the sixty day period.

The Chairman then introduced Mr. Inman of the Illinois Testing Laboratories, Chicago, who gave an interesting talk on meters used in receivers and transmitters.

The Chairman called on Mr. Phillipsen of the Papers and Publications Committee for his report.

Mr. Phillipsen called attention to the BCL interference being given by 160-meter phone stations and related his experience in helping to eliminate the interference caused by one of the stations.

Mr. Phillipsen also described and illustrated a method given in Radio Magazine of using a broadcast receiver filter choke in place of a class B transformer in the output of the audio stage of a phone transmitter.

As a matter of information for those interested in, or using, the RK-20 tube, Mr. Phillipsen read an advertisement of McMurdo Silver in which it is claimed that this tube will stand a much higher plate voltage, and will give much higher output, than rated at by its manufacturer.

The Chairman called for a discussion of the desirability of holding future annual QSO parties, for the guidance of the Directors at their next meeting.

(Joe Larkin, W9HFA) Mr. Larkin took the floor and made some interesting observations and criticisms regarding the handling of club ~~affairs~~ meetings, but due/ to the late time at which he started to speak, was not able to say very much before adjournment.

The meeting adjourned at 9:59 PM.

Minutes of Board of Directors' Meeting held January 15th, 1935. ~~5~~

- - -

Chairman Felber called the meeting to order at 8:28 P. M.

Present: Felber, Rosenbaum, Wollaeger, Sennef, Zander, Kreiss, Wood, Wareing.
Absent : Seibel.

The Chairman announced that Mr. Seibel had informed him he is resigning from the board and that he will write a letter of resignation, and that nominations to fill the vacancy were in order.

Dr. Rosenbaum nominated Mr. Wareing, W9NY, and Mr. Zander seconded the nomination. Mr. Wareing declined the nomination, explaining that his business affairs would prevent, or interfere with, his giving proper attention to club affairs as a director, mentioning that he had heard considerable criticism, particularly among new members, of club affairs being conducted by a clique, and that he did not think it advisable to make matters worse by electing him to the board. After further discussion and persuasion, Dr. Rosenbaum moved that Mr. Wareing be unanimously elected director in Mr. Seibel's place. All were in favor.

Dr. Rosenbaum reported that he has had considerable contact with members of the new northwest side club and has heard considerable criticism of the way the affairs of MRAC are being handled. During the discussion that followed, Dr. Rosenbaum intimated that ~~some of the members of the new club~~ CERTAIN AMATEURS would not be particularly desirable as members of MRAC, and made a motion that the board of directors be required to pass upon applications for membership before applications are submitted to the club for admission to membership of the candidates. Motion seconded and all in favor.

Mr. Wareing suggested that it be announced to the club members that each application for membership will be passed on by the board at the next board of directors meeting, and that a definite set of rules be laid down covering eligibility for membership, the club members to be informed also of these rules, so that any club member having adverse information regarding an applicant could communicate with the board. Accordingly, the following set of rules was formulated:

1. The applicant should be a decent, moral character.

2. No person who, because of a violation, is barred by the FCC from taking a license examination, shall be eligible to hold membership during the period in which he is so barred by the FCC, and thereafter during a probationary period the length of which shall be at the discretion of the board.

3. Any habitual offender of the FCC's rules shall not be eligible for membership.

4. The board, in its discretion, may bar from admission to membership any applicant who does not live up to the rules of good sportsmanship in amateur radio.

5. The board may bar applicants from admission to membership for any other good and sufficient reason.

6. In addition to the above rules, the regular prerequisite rules for applications shall be applied.

In connection with this set of rules, there was considerable discussion as to the advisability of changing the club's meeting place to a private club room so that non-members could be excluded from meetings. It was suggested that a committee be appointed to investigate all phases of moving to a private club room and Mr. Felber appointed Messrs Rosenbaum, Zander and himself as a committee, to investigate the following locations:

Journal Building
Odd Fellows Hall
Eagles Club House
Assn. of Commerce for reference to locations.

The Chairman called for discussion of some of the charges and criticisms made before the club by Mr. Larkin, W9HFA, at the meeting of January 10th, and it was decided:

1. Ascertain whether Mr. Phillipsen, as Chairman of the Papers and Publications Committee, can attend each meeting and give his report.

2. Adopt the following standard program for conducting meetings in the absence of a special program:

Meeting called to order.
Roll call, minutes and treasurer's report.
Old business.
Committee reports:
Membership,
Traffic,
Papers and Publications.
New business.
Technical Committee.
Open forum on questions and answers.
Adjournment.

(For special programs, follow old business with new business and dispense with Committee reports and balance of program.)

President Felber called the meeting to order at 8:20 P. M.

The Secretary called the roll and read the minutes of the previous meeting. Approved as read.

The Chairman then introduced and turned the floor over to Messrs Tacke and Kiefer of the Wisconsin Telephone Company, who presented a program of moving pictures for which arrangements had been made with the telephone company. The pictures shown dealt with modern methods and construction in land and radio communication, and were entitled:

MODERN MAGIC,
PICTURE THAT,
VOICES ACROSS THE SEA,
TREAT 'EM RIGHT.

At the conclusion of the program, the Chairman, on behalf of the club, expressed our thanks and appreciation to Messrs Tacke and Kiefer and to the Wisconsin Telephone Company, for their courtesy in presenting the program.

The Chairman called on Mr. Kreiss of the Traffic Committee for his report. Mr. Kreiss reported that European amateurs are coming through in the afternoon on twenty meters at the present time. Mr. Kreiss also told of a method used by Mr. Roberts, W8HC, our new Central Division Director, of cutting off the tops of glass jars by filling the jar with oil to the point at which it is desired to make the cut and submerging a red hot iron or poker in the oil.

The Chairman announced that Mr. Bailey of the Electric Company would address the club at our next meeting, January 24th, and that at the meeting of January 31st Mr. Hammersley of the Ohmite Company would address the members.

The Chairman called on the Treasurer for his report.

The Chairman then read a communication received from Mr. Victor Kranitz, W9AEE, of Milwaukee, listing receiver and transmitter parts and apparatus which he has for sale or exchange.

The Chairman also read a communication received from ARRL giving information as to DX being worked on the 80 meter band.

The Chairman then introduced Mr. Tom Bailey of the Electric Company, who addressed the members on the sources of and cures for electrical interference with radio reception.

The meeting adjourned at 10:00 P. M.

The meeting was called to order at 8:20 P. M. by President Felber.

The roll call, reading of the minutes and treasurer's report were dispensed with due to the absence of the Secretary and the Treasurer. Mr. Kreis was appointed Acting Secretary for the meeting.

Mr. Kreis, as Chairman of the Traffic Committee, read the "Editor's Mill" of February QST, on amateur licenses.

Mr. Hammersley of the Ohmite Manufacturing Company gave a talk on resistors.

Mr. Phillipsen of the Papers and Publications Committee read items on the RST system, the RCA 802 tube, and the stabilization of ultra high frequencies.

Mr. Phillipsen announced the appointment of Mr. Moser, W9NPS, as assistant on his committee.

Mr. Moser reported on the QST DX contest and read excerpts from R/9 Magazine.

The Chairman announced that Mr. Sennef would give a review of the latest superheterodyne receivers at the next meeting - February 7th.

A raffle was held, with a Weston 0 to 80 MA Meter as the prize, won by Mr. Cram, W9BVR.

Mr. Phillipsen read a letter from the Chicago Radio Club Council, inviting the Milwaukee amateurs to a dinner in honor of Mr. Ed. Roberts, W8HC, our new Central Division, to be held in the south club room of the La Salle Hotel in Chicago on February 9th at 7:30 P. M., price $1.75 per person.

The meeting adjourned at 9:58 P. M.

- - -

The meeting was called to order at 8:17 P. M. by President Felber.

The roll was called and the minutes of the previous meeting were read. These were corrected and approved.

Mr. Moser, W9NPS, read excerpts from R/9, Radio, and QST magazines.

The Chairman called on Dr. Rosenbaum, W9GHN, the club's business manager, for his report. Dr. Rosenbaum called attention to an action of the board of directors at their last meeting, held on January 15th, regarding the board renewing its practice of passing on applications for membership in MRAC. Mr. Meyer, W9GVL, questioned the wisdom of having the board pass on membership applications, and was answered by Dr. Rosenbaum, who pointed out the desirability of it.

Dr. Rosenbaum also mentioned that at the next board meeting, to be held Tuesday, February 12th, the question of a DX QSO contest would be discussed, and that the board wanted to have the opinions of members on the subject.

The Chairman announced that the board also, at its last meeting, instructed him to announce that only members would be given the floor during any discussions or arguments.

Mr. Larkin, W9HFA, was then given the floor, and continued with his humorous criticism of the lack of order, etc., which has been noticeable during club meetings. (See attached list of complaints.) The Chairman, Mr. Catel and Dr. Rosenbaum, in turn, took the floor and answered Mr. Larkins' arguments, commenting on all of them in general. Mr. Catel and Dr. Rosenbaum pointed out that most of the conditions complained of, or criticized, have existed since the club was organized and probably will continue to exist in spite of efforts to correct them. Mr. Catel also pointed out the lack of co-operation given the officers and directors by the members in the matter of bringing up new business of interest before the club.

Mr. Woodworth, former secretary of the club, was present and also spoke on the similarity of present conditions complained of by Mr. Larkin to those obtaining when he was a member.

Mr. Meyer, W9GVL, mentioned that he thought Mr. Larkin should at least be given credit for having the courage to come before the club and raise the questions that he did.

Mr. Wareing, W9NY, called attention to the condition of L. S. Hillegas Baird, who at present is confined in a sanatarium with tuberculosis. Mr. Wareing explained that it is necessary for Mr. Baird to go to California for treatment of a throat trouble which he has, and that Mr. Baird is in need of funds to cover the expenses of the trip. Mr. Wareing stated that any donations would be gratefully received, as Mr. Baird would have to leave within the week.

Mr. Catel spoke on behalf of Mr. Baird, calling attention to the years of service which he gave to the club as its business manager, and made a motion that the club donate at least fifteen dollars from the treasury. The Chairman suggested that instead of a motion before the club, the matter be referred to the board of directors for action. Dr. Rosenbaum moved that the board vote on it immediately. The Chairman called for a vote and all of the directors were in favor. It was then moved and seconded that an extra ten dollars be appropriated, the motion was passed and the total amount set at twenty-five dollars.

Mr. Sam Snead, former member of the club, announced that he is still in possession of $11.55 in fines collected from members of the old "Loyal Order of the Derby" for failures to ~~attend~~ wear derbies at club meetings ~~wearing a derby~~, and that he is turning this sum over to Mr. Wareing to increase the fund for Mr. Baird.

The Chairman announced that Mr. Morton, former first district radio inspector, now connected with the Globe Union Company, will address the club at the meeting of February 21st.

A raffle was held, with a 200-watt, 50,000 ohm Electrad resistor as the prize.

The older members are always appointed as chairmen of QSO contests and parties.

"Big shots" (Mr. Larkin's words) giving technical talks which are always over the heads of most of the members, particularly the younger members.

The "overworked" secretary being tired at one meeting and having Mr. Kreis act in his place.

The chairman of the papers and publications committee appointing Mr. Moser as his assistant. (Explained later by the Chairman, Mr. Felber.)

Doings at board of directors meetings should be reported to the club members.

No order maintained when a motion to adjourn is before the club, the members generally not waiting until the motion is seconded and passed.

Side discussions and arguments among members whenever a speaker is present.

All members of the board of directors not attending club meetings.

Constitution not being taken to club meetings by the secretary.

Criticism of Mr. Burss, W9RKP, for his behavior during the discussion of possible methods of distribution of prizes for the last forty meter contest.

Chairman Felber called the meeting to order at 9:38 P. M.

Present: Felber, Rosenbaum, Wareing, Zander, Sennef, Wollaeger, Wood.
Absent: Kreis.

The Secretary read the minutes of the previous directors' meeting, which were approved as read.

The Chairman announced that the primary purpose of the meeting was to elect a director in place of Mr. Sennef, who is leaving soon to take a position in New York City.

The Chairman then asked Dr. Rosenbaum to read a letter he received from Mr. Kreis, who attended the dinner given by the Chicago Area Club Council in honor of Mr. Roberts, W8HC, our new Central Division Director. Mr. Kreis gave an outline of what took place at the meeting following the dinner, and suggested that the Milwaukee Radio Amateurs' Club should affiliate with the Chicago Area Club Council. After discussion, Dr. Rosenbaum made a motion that the club appoint Mr. Wollaeger to attend a meeting to be held in Chicago on Thursday evening, February 14th, at which K. B. Warner will be present, and that the board appropriate the amount required for railroad fare for the trip. All were in favor.

The Chairman then called for nominations for alternate director to fill the vacancy which will be created when Mr. Wareing, present alternate director, takes Mr. Sennef's place. Nominations were as follows:

William Cram	(W9BVR)	by Rosenbaum
Robert Guthrie	W9IH	Wollaeger
Joseph Kircher	W9NRX	Sennef
Herbert Baker	W9GSP	Wollaeger
Joseph Maertz	W9SWP	Zander

Dr. Rosenbaum moved that the nominations be closed, and Mr. Zander seconded the motion. All were in favor and the Chairman called for votes, which were as follows:

Guthrie	1
Kircher	4
Baker	1
Cram	1

Mr. Kircher was declared elected on the first ballot, the election being tentative, and to be effective if, as and when Mr. Sennef vacates his place on the board.

The Chairman called for a discussion on holding a 20 meter DX contest. The discussion that followed concerned the awarding of prizes, and it was suggested that only one prize be given and that it be in the form of an official emblem, such as a medal, a cup, or a tube formed of brass and plated. The matter was laid over for further discussion.

The Chairman then called for a discussion on holding the annual QSO party. The discussion covered the type of party to be held, and the possibilities of getting good speakers for the occasion. It was suggested that the party be in the nature of a banquet in honor of Mr. Roberts, Central Division Director, and it was also suggested to make it a Central Division convention. Mr. Wareing and Dr. Rosenbaum suggested that the party take the form of a radio political round table at which we could have speakers connected with ARRL affairs, as well as technical speakers, and it was decided to put the matter before the club's membership in order to educate those in favor of the usual stag party along the lines of the kind of party or banquet suggested.

The meeting was called to order at 8:30 P. M. by President Felber.

Due to the absence of the Secretary, the calling of the roll and reading of the minutes of the previous meeting were dispensed with.

Messrs Phillipsen and Moser gave their publications reports by reading a few excerpts from the February issue of Radio Magazine.

President Felber informed the membership that there is to be a large gathering of amateurs at Chicago this evening. Messrs K. B. Warner and H. C. Roberts are to be the principal speakers. Our board of directors appropriated expense money for Mr. Wollaeger to attend this meeting and bring back such information as will be of interest to our club.

The Chairman announced that Mr. Morton of the Globe Union Manufacturing Company will give a talk at our next regular meeting.

Suggestion was made by a club member that copies of the club's by-laws should be made and given to the membership, the thought being that the membership would be more conversant with the ideals and reasons for which the club was organized. The Chairman stated that this matter will be taken up at the next board of directors' meeting.

The question of the kind of annual QSO party to be held this season brought a lively discussion. There being nothing definitely decided upon, it was suggested that it be brought up at future meetings.

The meeting adjourned at 10:00 P. M.

The Chairman called on Mr. Wollaeger for his report as Treasurer, and for his report on the meeting held by the Chicago Area Club Council in Chicago on Thursday evening, February 14th. Mr. Wollaeger's report covered talks given by Mr. Higgins and Dr. Kelly of the Chicago Area Club Council, and by K. B. Warner of ARRL headquarters, the report dealing mostly with the talk given by Mr. Warner, and his answers to questions asked. Mr. Wollaeger is having his report written up to be made a part of these minutes.

The meeting was called to order at 8:31 P. M. by President Felber.

The Secretary called the roll and read the minutes of the previous meeting, which were approved as read.

The Chairman called on the Treasurer for his report.

Mr. Moser of the Papers and Publications Committee read a communication from "Scratchy" appearing in Radio Magazine.

Mr. Phillipsen then read articles appearing in R/9 Magazine.

Dr. Rosenbaum, as Business Manager, announced that in view of Mr. Sennef's coming departure to take a position in New York City, the members of the board of directors personally were presenting him with a parting gift as a token of the esteem in which he is held by not only the members of the board, but all the club's members. Mr. Peshek then presented the gift - a leather brief case with Mr. Sennef's name engraved on it.

The Chairman then brought up the subject of holding the annual QSO party - laid over at a previous meeting - and the arguments that followed were lengthy. The Chairman called on Mr. Wollaeger and Dr. Rosenbaum for their thoughts on holding the same kind of party as has been held in the past, and they voiced their disapproval of that type of party. Mr. Catel was of the opinion that those opposed to holding the same kind of party forget all their objections and suggest another kind of party to take its place, and recalled the parties held some years ago at which there were no questionable features. Dr. Rosenbaum then made a motion that the chair call for a vote on barring the type of QSO party which the club has held annually for the past several years. The vote was: Ayes 18, Noes 6.

The discussion then continued as to what form the annual affair should take. Mr. Catel suggested that the board take the matter out of the hands of the club members by appointing a committee to plan the party, with instructions to make it a clean-cut affair, with no features which would make it unfit for the club's younger members to attend.

Dr. Rosenbaum suggested that the party take the form of a political round table convention.

Mr. Moser suggested that the club hold the same kind of party, without the entertainment objected to, and that a vote be taken to decide between the political round table and the QSO party. On suggestion, the vote was taken by roll call, with the following results:

QSO Party	14
Political Round Table	13

It then developed that one of the members who voted for the QSO party was not eligible to vote, being several months behind in his dues, and the argument then was that he should not have been included in the roll call if he was not eligible to vote. There was not enough time left to

The Chairman requested that in view of the international contest which starts Friday evening, March 8th, members of the club and other local amateurs refrain from testing on the DX bands during the contest.

The Chairman then called on Mr. Kreis of the Traffic Committee for a report on his travels, and Mr. Kreis obliged. Mr. Kreis also commented on the attempted reform as regards the annual QSO party, and likened the whole affair to a "Methodist Sunday school".

Messrs Earl Anderson, W8UD, of Douglas, Mich., and Lewis Gilmer, W9MTC, of Libertyville, Ill., were then introduced, and they exhibited and gave a very interesting talk on a new receiver which they had had built in which some of their own ideas are incorporated. Mr. Anderson informed the members that he and Mr. Gilmer had nothing to sell and that the purpose of their visit is to receive criticisms and suggestions as to what should go into the building of the real ham receiver, and that even if they should decide to go into production it would be at least a year before the receiver could be put on the market.

President Felber called the meeting to order at 8:29 P. M.

The Secretary called the roll and read the minutes of the previous meeting, which were approved as read.

The Treasurer then gave his report.

The Chairman called for further discussion on the subject of the annual QSO party.

Mr. Kreis moved that the whole matter be reconsidered and that the club hold the regular, old fashioned QSO party, with a class of entertainment to which no one could object. Mr. Catel pointed out to Mr. Kreis that such a party had already been voted for. Mr. Kreis then amended his motion to one for a reconsideration of the whole matter, i. e., whether to hold the same old fashioned QSO party, or A party without the entertainment objected to, or to hold the political round-table form of party. The Chairman called for a rising vote and the results were:

Ayes 26
Noes --

in favor of the regular QSO party.

The Chairman then asked that those members who would be willing to serve on committees in connection with the party stand to have the Secretary note their names. These were:

Messrs:	Burss	Ruger	Peshek
	Moser	Larkin	Carey
	Zander	Reiss	

Mr. Meyer then moved that the club hold the same old kind of QSO party. Mr. Carey took the floor and mentioned that he would not pay $1.75 to go to a political round-table discussion and that he thought this feeling would be general among the amateurs who have been coming to our parties, this club having the reputation of always putting on a good party. Mr. Ruger said that it has been his observation, in covering the state, that the club is getting a bad name on account of its annual parties, and suggested that for the old fashioned kind of party we revive the "Order of the Brown Derby". Mr. Bernes differed with what Mr. Ruger said, and mentioned that while attending the party given at W9PZ at Lake Bluff, Illinois, he met a number of out of town amateurs who indicated they were looking forward to our next party. Mr. Catel was in favor of a QSO party with entertainment, but not entertainment of the class which we have been having. He suggested good, high class entertainment of a type which could not be objected to.

A rising vote on Mr. Meyers' motion resulted in:

The Chairman asked for reports from members participating in the international DX contest, as to the conditions they encountered in working foreign stations. He announced that W9IH was leading at the time of the meeting, with 65 stations worked in 35 countries, and that W9GIL was running him a close second.

Board meeting mtg

March 29, 1935.

Mr. Edward A. Roberts, W8HC,
Director Central Division,
2699 Endicott Road,
Shaker Heights,
Cleveland, Ohio,

Dear Sir,

At a meeting of the Board of Directors of the Milwaukee Radio Amateurs' Club, the suggestions appearing in the Central Division "Sky Wire" regarding 'phone frequencies and power, were taken up.

A unanimous opinion manifested itself in regard to the statement "Every up to date amateur station now includes phone which is favored by the majority." This does not apply to Milwaukee as the phone stations here are in the minority, five meter phone excepted. We also know that the C. W. stations are very much in the majority in the Central Division, as they also are elsewhere. Of course not all of us pretend to have "up-to-date" stations.

In answer to suggestion #1, limiting power to 100 watts input on 160 meter phone and C.W. We think it is absolutely wrong in principle for us to suggest power restrictions on any band. We have a one KW limit, let us hold on to it.

Suggestion #2, Increasing the 75 meter phone, making it 3800 to 4000 KC. It would be excellent to grant the 75 meter phones more frequencies, but not to take it away from C.W. We understand the phone congestion and recommend possibly 50 KC widening at the expense of C.W, but no more.

Suggestion #3, the 40 meter band opened to Class A, 100 KC on high end. Any further frequencies for phone should come from outside of the present band.

Suggestion #4, 20 meter band divided equally between phone and C.W, phone at high end. Allow phone 100 KC on high end providing it co ordinates with VEs and COs.

Suggestion #5, Power reduction for 20 meter phone to 100 watts input. No power reduction as stated in answer to #1.

We have advised our members, at a regular M.R.A.C.club meeting, of these suggestions and have asked them to indicate their decisions to you individually.

Yours truly

E. W. Kreis, W9HRM

Director M.R.A.C.

Chairman Felber called the meeting to order at 8:27 P. M.

The Secretary called the roll and read the minutes of the previous meeting. Approved as read.

Dr. Rosenbaum read a letter received from Mr. Kreis, W9HRM, enclosing a communication from the eastern branch of the Amateur Radio Telegraphers Association of Detroit in connection with the current question of more frequencies for phone at CW expense, and the Chairman called for comments on the communication.

The Chairman read official broadcasts received from ARRL regarding the Canadian amateur regulations for the year starting April and regarding the annual field day outing to be held June 8th and 9th for the purpose of testing portables.

Mr. Moser of the Papers and Publications Committee read an article appearing in Radio Magazine regarding rackets being worked on amateurs, and covered several other technical articles appearing in the same magazine; also a communication from "Scratchy".

Mr. Felber called on Mr. Zander, Chairman of the QSO Party, for a report on the committee's activities. Mr. Zander asked Mr. Maertz of the Prize Committee for his report, which was given. Mr. Zander announced that tickets for the QSO Party will be on sale beginning Thursday, April 25th, at $1.75 for club members and $2.00 for non-members.

Mr. Phillipsen reported on a reply he received from ARRL in answer to his letter inquiring as to the League's connections with some of QST's advertisers, particularly the National Company, headquarters saying that there is no connection in any way except as to the advertisers furnishing, and headquarters testing, new equipment offered the amateurs and advertised in QST.

The Chairman announced that Mr. Morton of the Globe Union Manufacturing Company will be present at the meeting of Thursday, April 25th, to continue his talk. He announced also that the Milwaukee Journal is putting on a program on Saturday evenings from 6:00 P. M. to 7:00 P. M. on the 9-1/2 meter band, and that the club is invited to take part in the program by giving talks.

A raffle was held, with a Sylvania standard 210 tube and a 50-watt socket as prizes.

The meeting adjourned at 9:27 P. M.

The meeting was called to order at 8:25 P. M. by President Felber.

The Secretary called the roll and read the minutes of the previous meeting which were approved.

The Chairman read a communication received from Purdue University, Lafayette, Indiana, announcing the third annual Amateur Radio Round-Up and Hoosier Hamfest to be held there on May 4th and 5th; also a communication giving the details of the Dakota Division Convention to be held at Minneapolis May 3rd, 4th and 5th; and a communication from Calls Heard Magazine stating the magazine has been discontinued and that arrnagements have been made to continue the balance of the Club's subscription with R/9 Magazine in its place.

The Chairman called on Dr. Rosenbaum, as Business Manager, for his report. Dr. Rosenbaum mentioned a communication received from W9DEA of Sioux City, Iowa, with which was enclosed a questionnaire regarding the phone-CW question; also a communication from W8AKN, manager of the Amateur Radio Telegraphers' Association at Detroit, outlining what has been and is being done by that association on the phone-CW fight.

Mr. Kurth, W9FSS, our SCM, was present at the meeting and gave a report on the feeling among the Madison amateurs regarding phone versus CW, ARRL affairs, etc.

Mr. Moser of the Papers and Publications Committee read a letter published in April QST, written by Rex Munger of St. Paul, addressed to K. B. Warner, telling him that he left an unfavorable impression with the amateurs at St. Paul, the feeling being that he evaded giving answers to most of the questions asked him. Mr. Moser also covered some technical articles appearing in April QST.

Mr. Morton of the Globe Union Manufacturing Company continued his talk on the development of radio and telegraph communication and electrical services, telling of some of his experiences as a ship radio operator - at the age of fourteen years.

The meeting adjourned at 10:00 P. M.

President Felber called the meeting to order at 8:35 P. M.

The Secretary called the roll and read the minutes of the previous meeting; approved as read.

The Chairman announced that Mr. Morton of the Globe Union Manufacturing Company will finish his talk at our next meeting, May 9th; also that it is expected the ARRL headquarters film will be received in time to show at our meeting of May 16th. He further announced that the annual election of directors and officers will be held at the meeting of May 23rd.

Mr. Moser of the Papers and Publications Committee gave an outline of his talk over the Milwaukee Journal's 9-1/2 meter broadcasting station on Saturday evening, April 27th. He also covered some technical and descriptive articles appearing in R/9 Magazine. In connection with the Journal's shortwave broadcasting station, Mr. Moser asked that club members working out of town stations ask them to listen for the Journal station and to send cards if heard.

Mr. Kreis of the Traffic Committee read a letter received from the Federal Communications Commission regarding the bootlegging amateur in Milwaukee who used the call OK 1 AA during the international contest. He also announced two local calls reported heard and worked by K6HLP in Honolulu, listed in Calls Heard Magazine - W9GIL and W9DII.

Mr. Maertz of the QSO Party Prize Committee reported additional names of firms who have donated prizes for the party.

Mr. Phillipsen of the Papers and Publications Committee covered articles appearing in May QST.

The Chairman read several communications addressed to Mr. Roberts, our Central Division Director appearing in his "Central Division Sky-Wire", written by amateurs on the phone-CW question, most of them being in favor of more phone frequencies, also phone in the forty meter band.

Questions from the "QRU" box were read and answered.

A raffle was held, with a QSO Party ticket as the prize, won by Herb Baker, W9GSP.

The meeting adjourned at 9:45 P. M.

The meeting was called to order at 8:38 P. M. by President Felber.

The Secretary called the roll and read the minutes of the previous meeting, which were approved as read.

The Chairman read a letter addressed to the Secretary by K. B. Warner, acknowleding receipt of the petition signed by members and other amateurs in the Milwaukee territory, advising that it would be presented to the directors at their annual meeting.

Mr. Maertz of the QSO Party prize committee reported additional names of firms who have donated prizes.

Mr. Peshek of the QSO Party entertainment committee reported on what arrangements have been made by himself and Mr. Catel.

Messrs Berens, Wollaeger and Maertz reported on the doings at the Dakota Division convention held at Minneapolis on May 3rd, 4th and 5th. Mr. Wollaeger mentioned, among other things, that there was some discussion as to the advisability of the Central Division ARRL members circulating a petition to divide the division, inasmuch as the Central Division's members comprise about 50 percent of the total ARRL membership, while other divisions have very few members, the West Gulf Division, for instance, having only 75 members. This should give the Central Division's present membership better representation on the board of directors.

The Chairman again notified members that at the meeting of May 23rd the club will hold its annual election of directors and officers, and that no notification cards will be mailed.

Mr. Morton of the Globe Union Manufacturing Company continued his talk to the members. The Chairman announced that Mr. Morton will address the club again at the meeting of May 23rd.

The meeting adjourned at 9:48 P. M.

Chairman Felber called the meeting to order at 8:30 P. M.

Present: Felber, Rosenbaum, Wollaeger, Wareing, Zander and Kreis.

Absent: Wood.

Due to the absence of the Secretary, the minutes of the last meeting could not be read. Mr. Kreis acted as Secretary.

Dr. Rosenbaum was thanked for the use of his office for Directors' meetings during the past year.

Dr. Rosenbaum made a motion to present honorary membership to Mr. Wollaeger for his diligent and faithful services and long membership in the Milwaukee Radio Amateurs' Club. Motion seconded and carried.

Dr. Rosenbaum made a motion to present a QSO Party ticket to Mr. Morton of the Globe Union Manufacturing Company, in appreciation of his interesting lectures. Motion seconded and carried.

Discussion of QSO Party arrangements.

Discussion of Central Division directorship in comparison with that of other divisions, i. e., directors to be more representative of the number of amateurs they represent, rather than one director for a division regardless of its amateur population. No action taken.

Discussion of CW-Phone controversy.

The meeting adjourned at 12:15 A. M.

The Chairman called for comments on the party, and expressed the thanks of the club, the board of directors and himself to Mr. Zander as chairman of the QSO party and to his aides, for the excellent work they did in making the party a success.

The Chairman then announced that, it being the meeting at which the annual election of directors and officers is to be held, there would be a five minute recess in order to give those who wished to do so an opportunity to pay up their dues so as to be eligible to vote, and that before proceeding with nominations, Mr. Wollaeger would call the names of paid up members to come for their ballots.

Immediately preceding the election, the annual club raffle was held, the prizes and winners being as follows:

Irvin Berens,	W9DFJ -	RCA 841 tube
Ray Peschek,	9LJU -	Do.
Wm. Cram,	9BVR -	Do.
